

T SHEETS

We ♥ Employees

Time Tracking

Employees can clock in or out with just one click. Take a break, change job codes, or add timesheet details instantly.

Mobile App

TSheets works wherever you do. Download the Android or iOS app to track, submit, and approve employee time from anywhere.

Scheduling

Build employee schedules by jobs or shifts. Quickly and easily edit, publish, and share the schedule with your crew.

Overtime

Automate overtime rules, customize pay rates, and preset complex overtime calculations for easy, accurate payroll.

Reports

Gain valuable business insight with real-time, interactive reports. Predict time needs for job costs, plan for payroll, and increase profitability.

Integrations

Connect to your favorite accounting or payroll software to automatically sync accurate employee time tracking data for payroll and invoicing.
